Greetings from Bernat®

Hi, my name is Laretta. I have been working with Spinrite in the accounting department since last August. Both my grandmother and mom are avid knitters and have passed it on to the next generation - both me and my sister! I started knitting a few years ago and have only knitted washcloths and scarves. Seeing the many different baby yarns available at Bernat, I look forward to knitting a hat for my niece who was born a month ago.
