Bernat® Cot'n Corn

Announcing our newest Natural Blend Yarn, [Bernat® Cot'n Corn](#).

This wonderful yarn is a combination of cotton and corn fibers (yes, that's correct – corn fiber!) making it the perfect renewable resource yarn. It has a luxuriously soft, comfortable hand and it feels just great next to the skin. The light-weight blend and worsted weight are perfect for knit or crochet garments and accessories and you'll love the fresh, natural solid and ombre shades. And you'll love the fact that you're creating with all-natural materials, no synthetic ingredients. It's easy to do your part for the environment – even when you are knitting or crocheting!
