### Greetings from Bernat®

There is a time in everyone's life when they see something so amazing they have to put in on, wear it around the office, take pictures, stare in the mirror and refuse to take it off...Or maybe that's just me. That time came the day the Wrap-ghan arrived at the Bernat® Design Studio. Not only was it beautiful to look at, but it was soft to touch and cozy to wear. As an avid crocheter for many years I have made numerous projects out of Bernat® Super Value and Bernat® Softee Chunky. Usually I stick to making slippers in an obsessive manner – all of my family members and friends each have a pair or two of these fine creations. After seeing the Wrap-ghan I instantly knew that slippers were going to be put on hold for a while. The time has come for me to make my own Wrap-ghan so I can be looking great and comfy all the time. I'm thinking Bernat® Softee Chunky will be the perfect choice - make it a variegated shade and I'll be the happiest crocheter around!

XOXO,
