## Bernat® Cottontots - Adorable new pattern book!

Introducing Bernat® pattern book #530195, [Mini Me!](#) This creative new pattern book has adorable boys and girls outfits to knit and crochet, but that's not all! The book also features matching outfits for their mini-counterparts, and the patterns for the mini-dolls themselves. These soon-to-be best friends will be inseparable. Make a huggable bear or a sweet doll for someone you love and make new matching outfits to play dress-up with each season.

All of these great new patterns are knit and crocheted in [Bernat® Cottontots](#). If you haven't tried Bernat® Cottontots, pick it up in your local yarn store and see for yourself. It's a unique cotton that's soft, lofty, and delightful to work with. Of course it's washable too, in case your little one or their doll gets messy.
