Bernat® Sox - Perfect for Gifts

This holiday season, it's time to think small. Small gifts can be appreciated for years, even after the latest electronic gizmo hits the dustpile. [Bernat® Sox](#), Bernat's great sock yarn in bright and fun patterning colors, is perfect for a pair of socks or other small and thoughtful gift. If you're a veteran sock knitter, you already know how easily and quickly the colors of Bernat® Sox work up to make a masterpiece for your feet. If you're new to sock yarn you should know that just one ball of [Bernat® Sox](#) makes a pair of socks, making it a low cost way to experiment with something new.

Greetings from Bernat®

When I heard we were doing a Bernat newsletter focused on quick, easy, portable gifts, I knew this was my big chance to say hello. My name is Jen, and I'm easily distracted. I knit a lot, and most time spent without needles in my hands is time for planning more knitting. This means I come up with new project ideas faster than I can make them. This also means that I'm always starting new projects, and rarely finishing old ones. The [free pattern library](#) at Bernat.com does not help with my affliction. Working on web content for Bernat®, I visit the pattern library often, and inspiration is everywhere. This winter I'm sending handmade gifts to all of my loved ones. We're all in cold climates, so you can bet these great hats and scarves will be on the list. The button hat in Bernat® Alpaca? It's all mine.

Get started with your holiday gift knitting right away to avoid last-minute chaos. And don't forget to think small - gifts of any size made with love will not be forgotten.

Cheers,
