Knit One, Save One

Did you know that 60% of newborn deaths in developing countries can be prevented? It just takes a simple package of basic health measures provided to mothers and babies.

One of these measures is keeping a newborn warm. That's where you come in.

[Warm Up America](#) is again teaming up with

[Save the Children](#) for an infant caps drive. The new campaign, called [Knit One Save One](#), is underway and will continue through the end of the year.

Wow! Look who's knitting and crocheting for Save the Children and Warm Up America's Knit One Save One campaign:

- Julia Roberts ([photo](#))
- Gwyneth Paltrow
- Rebecca Romijn (Ugly Betty)
- Debra Messing (Starter Wife)
- Lisa Edelstein (House)
