Bernat® Satin

[Bernat® Satin](#) has long been a favorite for knit and crochet projects from home decor to garments to accessories to baby items. Its luxurious softness, wide shade range, and knitting worsted weight make it ultimately versatile. It's also easy-care acrylic, so you never have to worry about washing your beautiful handmade items.

This month, Bernat® is introducing 7 rich new heather shades—you'll love their texture and depth—as well as three vibrant new ombres.

[Bernat® Book #542045 Lighten Up](#) - This bonus book features four fresh and colorful throws to brighten up your home, all created in [Bernat® Satin](#). [Preview all projects in this pattern book.](#)

[Bernat® Book #542046 Simple Style](#) - This bonus book features four afghans rich in earthy, cozy colors and style, made in [Bernat® Satin](#). [Preview all projects in this pattern book.](#)

[Bernat® Book #530172 Fall Lineup](#) is packed full of stylish cardigans and pullovers. From intricate Fair Isles to classic cables to a basic V-neck pullover, there's something here for everyone and enough variety to last all fall long. All designs created with [Bernat® Satin](#).
